## Professional Summary

B.Tech Computer Science student with a passion for technology and problem-solving, looking to apply my technical knowledge and soft skills in a real-world professional setting to create impactful solutions and grow as a developer. With a strong sense of discipline and a commitment to developing consistency in my academic journey, I have pursued my education with focus and determination.

## Education

<b>B.Tech in Computer Science</b> , JECRC University – CGPA: 8.03	2022-2026
<b>Senior Secondary Education</b> , Swami Vivekanand Govt. Model School – 68.80%	2022
<b>Higher Secondary Education</b> , Swami Vivekanand Govt. Model School – 78.00%	2020

## Skills

**Programming Languages:** C++ | Java (Familiar) | SQL

**Technical Skills:** Data Structures and Algorithms, Database Management, Object-Oriented Programming

**Tools:** VS Code, GitHub, AI Tools

**Soft Skills:** Strong Relationship Building, Collaborative Leadership, Adaptability and emotional resilience in new environments

## Projects

<b>Smart Sowing Software (In Progress)</b>	2025
--	------

- Developed a smart web-based application using HTML, CSS, JavaScript (frontend) and C++ (backend logic).
- Calculates total seed requirement, optimal gear settings, and row spacing based on user inputs (field size, seed type, spacing).
- Automates manual sowing calculations to reduce seed wastage and improve accuracy.
- Designed for ease of use by farmers with minimal technical knowledge.
- Future enhancements include IoT integration, mobile version, and multi-language support.

## Certifications

- |   |      |
|---|------|
| • <a href="#">Participated In Innov8</a>                              | 2023 |
| • <a href="#">GCCF Certification</a>                                  | 2023 |
| • <a href="#">Coding Ninjas C++ Certification</a>                     | 2024 |
| • <a href="#">Coding Ninjas OOPs Certification</a>                    | 2024 |
| • <a href="#">Coding Ninjas Pointers Certification</a>                | 2024 |
| • <a href="#">Soft Skills (NPTEL)</a>                                 | 2024 |
| • <a href="#">Psychology of Stress, Health and Well-Being (NPTEL)</a> | 2024 |
| • <a href="#">Introduction To Cognitive Psychology (NPTEL)</a>        | 2025 |

## Achievements

- Took initiative during the Lumpy Virus outbreak to lead a village-level group helping infected cows through treatment support and awareness drives. 2022
- [Achieving 3<sup>rd</sup> Rank in CodeAthon 1.0](#) at JECRC University 2024
- [Secured 2531 rank in TCS CodeVita Season 12](#), a worldwide coding contest with participation from thousands of students across 98+ countries. 2024
